# Getting Started

- Hopes
- Fears
- Experiences

# Build Your Own Supervisor

- Strict or relaxed
- Ivory tower or micro-manager
- Didactic or laissez-faire
- Eminent or up-and-coming
- Specialist or generalist
- Ideas generator or completer-finisher

# Moving Forwards

- Informal in a formal setting
- A unique relationship, but has generic aims
- Relationship can change, expectations negotiable
- Other sources of support and advice – to complement, not compete
