

Researcher development: professional services and academia

Dr Richard Freeman
Centre for Doctoral Education
UCL Institute of Education

I've looked at researcher development from both sides now..

Career progression

- Post-doc, University of B'ham
- Psychology Course Director, LSBU
- Co-ordinator Generic Skills & Data Analysis, IOE
- Programme Leader for Researcher Development, IOE
- Lecturer, IOE
- Senior Lecturer, IOE/UCL

Similarities and Differences

- Scope for promotion: none in prof. services
- Credibility – teaching, committees, senior staff
- Responsibilities – you can do anything! 😊
- Expectations – you can do anything! 😞
- Job security

What useful development have you done or wish you'd done?

- Four REFable papers, but not planned...
