

# Collaborative Capacities

Innovation specialists and facilitators  
*Making good things happen since 2017*

Working with research organisations,  
funding agencies and the private sector.

- Flustered by trying to run as well as participate in large cross-sector meetings?
- Frustrated as outcomes are ambiguous, predictable or short term?
- Overwhelmed by herding people towards an achievable action plan?

## We can help

Inclusive, creative and focused on your needs, we design the conversations, so you don't have to.

## Our clients feel

energised, enlightened and enabled as we work with them to achieve solutions, enhance collaboration and maximise the value of meetings.

## Why?

Because we love creating synergies that deliver positive lasting legacies in this increasingly complex, diverse and uncertain world.
