

# The Technician Commitment Signatory Form

The Science Council is working with partners to ensure greater visibility and recognition for technicians in Higher Education. The Technician Commitment has been developed to address the key issues affecting the technical community in academia and research.

In becoming a signatory to the Science Council's Technician Commitment, [Institution name] hereby commits to take action across five key areas:

## Visibility

Ensure that all technicians within the organisation are identifiable and that the contribution of technicians is visible within and beyond the institution

## Recognition

Support technicians to gain recognition through professional registration

## Career Development

Enable career progression opportunities for technicians through the provision of clear, documented career pathways

## Sustainability

Ensure the future sustainability of technical skills across the organisation and that technical expertise is fully utilised

## Evaluating Impact

Regularly assess the impact of actions taken in support of the commitment to ensure their effectiveness
